Baltimore & Ohio Ellicott City Station Museum

A National Historic Landmark, the B&O Railroad Station in Ellicott City is the oldest surviving railroad station in the United States. Completed in 1831, the station served as the terminus of the railroad's original 13-mile section of track. In service until 1972, the station is now a living history museum offering programs and exhibits that explore the development of transportation in America and the station's role in historical events of the 19th and 20th centuries. Free admission, call for hours of operation. Info: 410-313-1945. 3711 Maryland Avenue, Ellicott City, MD 21043 (intersection of Main St. and Maryland Ave. in the Historic District)

Belmont Manor & Historic Park

This pristine setting is one of Howard County's most beautiful sites. This 68-acre natural setting includes an 18th century manor, historic outbuildings, a cemetery, aqua garden, carriage house, and original barn. Belmont Manor is a great venue for weddings, special events, fundraisers, and meetings. Event rentals include the use of the Manor House, tent, gardens, and grounds.

Rental tours are held multiple times each month.

Info: 410-313-0200 or www.belmontmanormd.org.

6555 Belmont Woods Road, Elkridge, MD 21075

Blandair Farm

Blandair takes its name from Theodorick Bland, a colorful figure in early Maryland politics. He served as Chancellor of Maryland from 1824 until his death in 1846. While the property was farmed as early as 1798, most of the existing buildings date from the mid-19th century, and include a granary, a springhouse, some tenant houses and the brick main house. Howard County purchased the property in 1998 and is developing the site as a regional park. Public access to Blandair is limited during restoration. The farm was also the site of the 2003 International Preservation Trade Conference.

6651 Route 175, Columbia, MD 21044

Bollman Truss Bridge

The Bollman Truss Bridge is the only known remaining example of the revolutionary all-iron truss system patented by Baltimore engineer Wendell Bollman in the mid-19th century. Constructed in 1869, the bridge was moved to its current site in 1888 and was in use until 1915. Designated a National Historic Landmark in 2000, it is now utilized as a pedestrian bridge connecting Historic Savage Mill with the Mill Trail, a walk linking old mill sites along the Patuxent River.

Ellicott City Colored School, Restored

This one-room schoolhouse was constructed in 1880 as the first school built with County funds for African-American children in Howard County. In use as a school until 1953, the building was re-purchased by the County in 1995 and restored with the assistance of private and public funding. The building is set up like a rural classroom of the early twentieth century and houses rotating exhibits about local African-American families who contributed to the history of the area. Tours are offered on Saturdays and Sundays from 1-4pm from May through December. Private and group tours are available year round, weather permitting. Info: 410-313-0420.

8683 Frederick Road, Ellicott City, MD 21043

Firehouse Museum

Located in the County's first firehouse, the Firehouse Museum houses a wide array of fire apparatus, model toys and an impressive visual history of Howard County's Volunteer Fire Department. The firehouse was constructed by volunteers in 1889. Open Saturday and Sunday from 1-4pm, May through December. Private and group tours are available year-round, weather permitting. Info: 410-313-0420.

3829 Church Road, Ellicott City, MD 21043

Patapsco Female Institute Historic Park

The Patapsco Female Institute was a refined academy for young women from 1837-1891. It went beyond the scope of a finishing school with a rigorous curriculum including math and science, a rarity for girls in the Victorian Era. The building lived many successive lives including a hotel, summer theatre, nursing home and private residence before a period of vacancy that led to its deterioration. Today, the stabilized ruins of the Greek Revival structure are open for tours and serve as a captivating setting for special events, weddings, birthday parties, camps and open-air theatre. Tours offered on most Saturdays and Sundays from 1-4pm, May through November. Private and group tours are available year-round, weather permitting. Info/Rental Inquiries: 410-313-0420.

3655 Church Road, Ellicott City, MD 21043

Pfeiffer's Corner Schoolhouse

Originally constructed around 1883, the Pfeiffer's Corner Schoolhouse is one of the very few remaining one-room schools in Howard County. Restoration is now complete. Children were educated within its walls for over 50 years until it was converted into a residence in the 1940s. In 2003, it was moved to Rockburn Branch Park where it illustrates the changes to our schools over a 100-year-time-span. The site serves as a historic exhibit and provides space for demonstration classes, interpretive tours and small meetings.

Info: 410-313-4682.

6109 Rockburn Branch Park Road, Elkridge, MD 21227

Thomas Isaac Log Cabin

Named after its late 19th century owner, this rustic structure was built circa 1780 as a settler's home of Ellicott Mills. The cabin was reconstructed in the late 20th Century. Temporarily closed. Info: 410-313-0420.

Home School Seasonal Culminating Workshop Winter & Spring 2019

Celebrate at the end of each season of home school classes in the culminating workshop. Workshops are special events exclusively for home school families. Nature Center staff create interactive activities, imaginative play opportunities and self-guided projects that provide opportunities for students to recall knowledge learned over the past season alongside their parents. Students can meet with their new teachers if they are aging into a new class, and enjoy socializing with other students in the program. Each adult and child that plans on attending must register individually for the workshop. Price per person/per season. Please note, there is no online registration, please call 410-313-0400.

Give your child a nurturing, active and creative learning environment to build skills for kindergarten through our Early Learning Center.

Child Care

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) through middle school students, along with our Therapeutic Recreation Inclusion Opportunities (TRIO). Our goal is to provide a safe and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a \$50 non-refundable registration fee is required to enroll. If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit www.howardcountymd.gov/rap and click on Child Care. For space availability, call 410-313-7275.

Early Learning Center

Early Learning Centers provide a safe, nurturing, active and creative learning environment for each child. Throughout the program, the children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, multicultural and cooking. There are instructional and self-directed activities throughout the day. All programs are successful participants in the Maryland EXCELS program. Staff is trained in continuing early childhood education classes yearly. Parents provide snack/lunch. Children must be toilet-trained and meet the age requirement by September 1, 2018. If class minimums are not met, a combined class is offered.

Concussion Information

www.howardcountymd.gov/concussion

What is a concussion?

A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild blow to the head can be serious.

What are some warning signs of a concussion? — For Immediate Attention Call 911

Signs Observed by a Parent/Guardian

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets sports plays
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

Signs Reported by the Athlete

- Headache or "pressure" in the head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, or groggy
- Concentration or memory problems
- Confusion
- Does not "feel right"

What should you do if you think a concussion has occurred?

1. Seek medical attention right away.
2. Legally, you must keep your child out of play until medically cleared by a qualified health care provider.
3. Inform all coaches about any recent concussions.
4. Help your child return to sports safely after a concussion.

Sudden Cardiac Arrest

www.howardcountymd.gov/suddencardiacarrest

What is Sudden Cardiac Arrest?

Sudden Cardiac Arrest (SCA) is a potentially fatal condition in which the heart suddenly and unexpectedly stops beating. When this happens, blood stops flowing to the brain and other vital organs. Student athletes' risk of SCA is nearly four times that of non-athletes due to increased demands on the heart during exercise. SCA is caused by several structural and electrical diseases of the heart. These conditions predispose an individual to have an abnormal rhythm that can be fatal if not treated within a few minutes. Most conditions responsible for SCA in children are inherited, which means the tendency to have these conditions is passed from parents to children through the genes. Other possible causes of SCA are a sudden blunt non-penetrating blow to the chest and the use of recreational or performance-enhancing drugs and/or energy drinks.

Warning Signs of SCA

- SCA strikes immediately.
- SCA should be suspected in any athlete who has collapsed and is unresponsive.
 - No response to tapping on shoulders
 - Does nothing when asked if he/she is OK
- No pulse

Emergency Response to SCA

- Act immediately; time is most critical to increase survival rates.
- Recognize SCA.
- Call 911 immediately and activate EMS.
- Administer CPR.
- Use Automatic External Defibrillator (AED).

Sports

Coaches' and Administrator's Registry

All children's sports coaches and administrators (volunteer or paid) are members of the Coaches' and Administrator's Registry. Membership requirements include:

- Annual National background screening
- American Sport Education Program certification
- Concussion and Cardiac Arrest awareness training
- Membership badge with photo and membership expiration date to be displayed by coach on field/court

League Refund Policy

Unless otherwise directed in the community sport program description, a 20% administrative fee is deducted for all refund requests more than four (4) weeks prior to league starting; a 50% refund if withdrawal requested more than two (2) weeks prior to league starting; no refunds are given less than two (2) weeks prior to the start of the league. Registration is accepted on a first-come, first-served basis up to the registration deadline listed in each league description. Additional teams may be accepted at the league commissioner's discretion. Special requests for youth leagues should be made at the time of registration, are not guaranteed, and are at the discretion of the department.

Not sure which swim level to register for?

Free skill evaluations every Monday from 7-7:30pm.

No registration required. First come, first served.

Aquatics

- Swimming lessons emphasize skills needed to be safe in an aquatic environment. All instructors are trained at our facility and are knowledgeable about the programs taught.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- For multiple sessions, register your child in the same course for a minimum of two sessions. Children often require more than one session to master the skills needed to proceed to the next level.
- Parents and guardians are not permitted to assist child during the lesson, except for the parent-child or Therapeutic Recreation classes. Accompanying adult for children under 16 must remain at the facility.
- Swimming diapers and/or rubber shorts must be worn.
- Read Concussion & Sudden Cardiac Arrest info on page 69. Your family's review of this info is required by law before you're allowed to register for sports/swim programs.

Group Lessons (0-18 yrs)

Baby Water Play: Parent/Child

Parents learn how to work safely with their children in the water, including how to appropriately support and hold them. The focus of the class is for children to develop water comfort. With an adult, children explore safe water practices including submerging, buoyancy, gliding and changing body position in the water through play. Swimming diapers must be worn in addition to swimwear. Registration/Info: 410-313-2764.

Field Hockey

Middle School Indoor Field Hockey Clinic

Do you love the game of field hockey? Indoor field hockey is a variant of outdoor field hockey. The small court and sideboards make indoor field hockey a quick and technical game. This clinic provides the basic fundamentals of indoor play. Develop vision on and off the ball, improve hand-eye coordination, ball handling and stick skills and gain a better understanding of tactics and set plays. Scrimmages are incorporated. Instructors are varsity field hockey coaches and players. Participants, bring an indoor field hockey stick, shin guards and mouth guard. Wear sneakers and bring water in a reusable water bottle. Indoor field hockey gloves are highly recommended for protection. Fee includes t-shirt, supplies and administration. (No class 2/17.) TKA Karate lets students learn self-defense in a relaxed setting.

Aikido with Ki by Russ Dauber

Martial Arts and Ki training, taught by Japan's Shin Shin Toitsu Aikikai, promotes dynamic movement with unified mind and body. The Ki part is low-impact. The Aikido part involves practice with partners and rolling on mats. Effective self-defense techniques flow with and lead attackers' movements. We develop the benefits of keeping one point and extending ki. We emphasize safety, knowledge and enjoyment. (No class 2/5, 2/14.) Info: Amanda Bartell, 410-313-1694 or abartell@howardcountymd.gov.

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

***Waiver:** In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, **please be aware that our staff does not change diapers.**

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2017 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw for a variety of reasons, but our policy encourages early decisions so as to not affect other customers or our ability to efficiently deliver the programs. At a minimum, all refund requests are subject to a 20% administrative fee. Additional fees may be assessed to recover costs associated with the program. Class programs require at least two weeks advance notice of withdraw to avoid the additional fees. Trip refunds may reflect pre-paid admissions; but the option to transfer your ticket may be considered. Competitive sport program time frame for refunds reflects planning time and team selections; check refund details on website. There are no refunds for missed sessions.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor classes will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If it snows on a weekday and the snow emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If it snows on a weekend and the snow emergency plan is in effect at 7am, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7am, programs in schools in progress may be completed but those later in the day will be canceled.

- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed. We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided

to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are Sylvia Ramsey (Chair), Edward Coleman (Vice Chair), John R. Byrd (Recording Secretary), Cynthia Vaillancourt (Board of Education Designee), Joanne Kiebler, Thomas Franklin, Daryl Anthony, David Grabowski, and Anna Boyd (Student Member).

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.howardcountymd.gov and click on the "I want to" tab.

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/rap and click on "Forms and Publications" or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.hocovolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. For sports, outdoor and fitness sponsorships, call Al Harden at 410-313-4652. For special events or other recreation sponsorships, call Phil Bryan at 410-313-1668.
